Is it "feng shui" ?
Or ambience therapy?

Water

Ready-Made & DIY Water Features

Indulge on the pleasures of a spa ambience in your home or office. And it doesn't have to cost a lot. But we all do know that relaxation itself is an important therapy for the mind and body. Which is why, it really pays to add a little touch to your home or office and make a big difference.

With over 100 designs, ranging from Zen to Balinese to Egyptians and many more, these designs speak of tranquility and soothes the mind.

Perfect for stress and fatigue management.

We provide landscape design by accredited professionals for your garden.

FUKAI thenaturebuilder

...since 1986

Timber Trellis/ Deck/ Fencing/ Gazebo/ Roof-Tiles & Landscape Design

we create the perfect outdoor garden

ABOUT FUKAI

With more than 20 years of experience,
Fukai is set to offer a good service and most
importantly, a service with a good
reputation for reliability and technical
knowledge. We are in the business of
creating tasteful and expressive spaces for
you to live or work in. Whichever it may be,
we are sure to partner you in developing
that higher standard of living, getting away
from luxurious amount of ambience
therapy.

Nature

Customised Koi Ponds & Water Features

Our water features & koi ponds can be customised to suit your needs. Custom-made design allows more flexibility and freedom. Koi ponds can be made bigger and deeper. Furthermore, our biological filter ensure crystal clear water at all times. Customised ponds and water features suitable for residential and commercial properties

A perfect blend of **elegance**
and **technology**

Convenience & Simplicity

Foresee the future of garden design and be lulled into your private oasis. Pamper yourself and retreat into the embrace of aesthetics and serenity.
